IMPORTANT DEADLINE

Team Registration Closes:
1st April, 2025

Spots are allocated on a strict first-come, first-serve basis.

This dynamic quiz competition will rigorously test your knowledge across the following core themes: **Different AI Models, Use of AI in Medicine, Ethics in AI, and Global Surgery.**

01. GENERAL RULES

SL	RULE CATEGORY	REQUIREMENT
1.	**Team Structure**	Only team entries are allowed. Each team must have a unique name, a designated leader, and exactly 3 members.
2.	**Platform & Scoring**	All rounds will be conducted via Kahoot. Scores are automatically generated based on answer correctness AND speed.
3.	**Compliance**	Failure to comply with device rules or organizing panel decisions will lead to immediate disqualification or cancellation of marks.

02. COMPETITION ROUNDS

SL	PHASE	DESCRIPTION & ADVANCEMENT
1.	**Group Elimination**	20 teams split into two groups of 10. Each group faces a 15-MCQ Kahoot session. Top 5 highest scores from each group qualify.
2.	**Semi-Final**	10 qualifying teams participate in a new 15-MCQ session. The top 5 overall highest scoring teams proceed to the finale.
3.	**Final Round**	The top 5 teams compete in a challenging 20-MCQ Kahoot. The highest cumulative score wins the Championship.

03. TIE-BREAKER PROTOCOL

SL	PROTOCOL	ACTION
1.	**Sudden Death**	A separate Kahoot session with 3 rapid-fire questions will be conducted between the tied teams.
2.	**Final Resolution**	If the tie persists after sudden death, the absolute fastest responder to a final decisive question will be declared the winner.
