FILE REQUIREMENTS

Format: PowerPoint (PPT)

Naming: Must be labeled with your full name and research title.

STRICT DEADLINES

March 10, 2026:
Final soft copy of PPT slide submission.

March 30, 2026:
Team registration for the competition closes.

This segment of the symposium is strictly designed to provide you with a fast-paced platform to present a research idea in a clear, engaging way. Please adhere to the structured requirements below.

01. COMPETITION FORMAT

SL	RULE CATEGORY	REQUIREMENT
1.	**Presentation Time**	Participants have exactly 3 minutes. A strict timer will be used; you must conclude immediately when time ends.
2.	**Slide Limit**	You may use only ONE static slide to support your pitch as a visual aid.
3.	**Visual Restrictions**	Absolutely no animations or slide transitions are permitted.

02. REQUIRED CONTENT

SL	CONTENT ELEMENT	DESCRIPTION
1.	**Title & Rationale**	Start by clearly stating the title of your research idea and explaining the medical significance of the topic.
2.	**Methodology**	Describe how you plan to conduct the research (approach, AI tools, or specific clinical techniques).
3.	**Expected Output**	Highlight the potential outcomes, future possibilities, or the direct impact of your research.

03. EVALUATION CRITERIA

SL	JUDGING METRIC	ASSESSMENT FOCUS
1.	**Clarity & Conciseness**	Is the core idea presented clearly and successfully within the rigid 3-minute time limit?
2.	**Innovation & Feasibility**	Does the idea demonstrate originality? Is the proposed research practical and achievable?
3.	**Presentation Skills**	How effectively does the participant communicate (confidence, engagement, and efficient use of the slide)?
